

## How to Redeem your Credit Levy

Dear Member,

As soon as the club reopens, your levy credit will have been added to your membership card immediately.

The credited amount is equal to the subscription fees you paid during the period Home Grown remained closed. The credit can be used in all areas of the club including bedroom bookings, and will expire on 31st December 2021.

To use the credit simply hand your membership card to one of the team when paying your bill and the amount will be deducted. Any shortfall can be paid through normal means.

Please note that our system does not enable service charge to be deducted from your levy credit. We kindly ask you to make your voluntary service charge payment via other means. *Your generosity is always greatly appreciated by the team.*

Please kindly note your levy credit can only be enjoyed using your membership card.

The total of your levy credit will be communicated to you direct ahead of us reopening Home Grown. Should you wish to check the balance of your credit levy please contact [membership@homegrownclub.co.uk](mailto:membership@homegrownclub.co.uk) | 020 3928 8006

We very much look forward to welcoming you back to Home Grown!
